

Vision Statement at St Francis CE Primary Ducklings Nursery Class

Here at St Francis, we aim to:

- Provide a safe, happy, stimulating and challenging programme of learning and development for the children to experience as they begin their journey through school.
- Provide a curriculum that will set in place firm foundations for further learning and development in KS1 and beyond and enable choice and decision making, fostering curiosity, independence and self-confidence.
- Use and value what each child can do, nurturing and assessing their individual needs and helping each child to progress and develop a sense of responsibility for themselves and respect for others in the environment
- Provide the best Early Years education, in strong partnership with parents, carers, Governors and the wider community, whilst recognising the huge benefits that a shared partnership brings to each child's nursery experience.
- Provide a caring and inclusive learning environment where everyone is known and valued, differing needs are acknowledged, accepted and met, including those who have additional needs.
